

FLIGHT SCHEDULES BETWEEN ISTANBUL AND KONYA

Due to arrival of Turkish workers from Europe for their summer holidays in the month of July, there would be heavy air traffic between Istanbul and Konya. Early flight booking for Istanbul to Konya portion is strongly recommended. There are three airlines operating in this route. Turkish Airlines (a member of Star Alliance) flies from Istanbul Ataturk Airport whereas the other two airlines Anadolu Jet and Pegasus Airlines fly from Istanbul Sabiha Gokcen Airport. The second airport is located in Asian side of Istanbul. There are frequent bus services between the two airports as well as from the city center. It normally takes minimum of two hours by airport bus to reach to the other airport. For further details regarding shuttle bus services to Istanbul Sabiha Gokcen Airport, please visit www.havas.net A sample of flight schedules are given below for your ready reference.
